

Living Waters

Pursuing Sexual & Relational Wholeness in Christ

Program Overview: Living Waters is an in-depth, Christ-centered program for people seeking healing in areas of sexual and relational brokenness. A healing, teaching and discipleship series, Living Waters addresses the reality that we are all broken in our ability to love others well. The goal of Living Waters is to lay a foundation for sexual and relational wholeness in our lives. With groups all over the world, and with over thirty years of ministering God's healing love, the Living Waters program is a proven path of healing.
