

# First Time Guest Family Information - ELEMENTARY

Welcome to the Vineyard Church of Houston Nursery and Elementary Department! We are so glad you are here as our guest. We hope that your children have a wonderful time today as they learn about God and his great love for them. We want you to relax and enjoy the service, so please fill out the below information so that we can get the essentials for taking care of your child. Our coordinator will print a temporary name tag just for today. If you decide that this church is where you want to put down roots, we'll have you complete a Family Registration Card that will generate pre-printed nametags for your whole family! Enjoy today!
